Do you feel part of our nursery community? <b>1:Not involved-5:Really involved</b>		2.7	10.8	8.1	75.6

### **You said...We did!**

<b>Suggestion</b>	<b>Future action</b>
The use of digital apps /Facebook to support communication	From September the nursery will be using 'Tapestry' to support communication and to encourage improved parental involvement. The school website is currently being updated to become mobile friendly along with our Facebook page. We are going to be setting up a Twitter account from September to give running updates where relevant.
Parking!	Unfortunately we are limited by our location. We continue to work closely with our neighbours wade deacon to secure improved access. September hours have changed. Nursery will now open and close when less traffic is in the area due to High school hours. Hopefully having a positive effect on parking.
A pet corner	Mrs Liku has suggested that we have chickens...We will look into it!
More coffee mornings etc.	The diary dates for this year have been looked at and will include termly stay and plays and opportunities to participate in craft sessions linked to the seasons. We will continue to look for more opportunities to develop links with parents
Raffles etc for fund raising.	The summer fair was an enormous success and we will now look to make that a tradition. Along with this we are looking at a Christmas performance and an Easter bingo. The setting up of a 'Friends of Birchfield' (P.T.A) is something that we will look at for September. Please let us know if you are interested.
More evening open times for working parents.	We are looking at putting in place evening open sessions that mirror the day time activity to ensure provision for working parents.
Drop off/pick up hectic due to the volume of people in the building.	Flexible collection will end in July> From September children will be released from the door to parents/carers. This has been raised as a concern. Flexible drop off will continue so that we do not lose contact time with parents but there should be considerably less traffic.
Longer transition time for new starters	Birchfield does tailor transition for each child where the situation requires it. We try to reduce transition time as, on the whole, longer transition time prolongs separation anxiety however we are looking at providing new children more 'transition days' in the half term before they start to improve tricky transitions.
